**Provision Living, LLC, breaks ground on
\$8 million investment in community**

GODFREY, Ill. – Provision Living, LLC, broke ground today on an \$8 million assisted living residence for senior adults. Provision Living at Godfrey will have 78 living units, including studio, and one- and two-bedroom units, and will add 40 permanent full- and part-time jobs in the community.

“Provision Living at Godfrey will be a great addition to our community and the economy. We look forward to partnering with them as they invest, not only in our economy, but also in the lives of senior adults and families in our region,” said Godfrey Mayor Michael Campion.

When completed in fall 2008, Provision Living at Godfrey will provide residents with a welcoming home that includes a wellness center, restaurant style dining, community center, barber and beauty salon, transportation, on-site personal care services and many other amenities. The project is located at 1373 D’Adrian Professional Park.

“Today is the beginning of the construction process, but we’ve been working on this project for more than a year,” said Todd Spittal, president of Provision Living, LLC, which is the company that will operate the facility for the property owner, Godfrey Retirement Investors, LLC. “We’re excited that every day we are hearing from senior

adults who want the freedom to maintain an active lifestyle in a gracious residence. We invite the community to watch with us as this building takes shape, and visit us to learn more about the services we offer.”

Provision Living, LLC, is a premier regional operator and investor in senior housing properties, specifically focusing on independent living, assisted living and assisted living based dementia services. The company is based in St. Louis with operations in five states, representing more than 500 senior living units and 250 employees.
